UNIVERSITÀ DI PISA

International Programme in Humanities

8th edition | Academic Year 2022-2023

International Programme in Humanities

The **International Programme in Humanities** is the first year, taught in English, of any of the following three-year Bachelors of Arts degrees of the University of Pisa:

- Cultural Heritage Studies;
- Studies in Performing Arts and Communication;
- Philosophy;
- History;
- European Languages and Literatures*.

It is designed for international students wishing to begin to earn the first credits of their degree (60 credits, year 1) in English while learning Italian and experiencing Italian Culture in Pisa.

Therefore, next the courses taught in English, IPH includes classes of Italian language, whereby students gain linguistic skills enabling them to continue years 2 and 3 of their BA programmes in Italian.

IPH aims to provide a sound, multidisciplinary background in the Humanities. Our goal is to address the major challenges of life in the contemporary world by developing academic and professional expertise, critical thinking, as well as organisational skills required by the job market.

**students choose any two of the following: Portuguese, Spanish, French, English, German, Polish, Russian, Rumanian.*

OVERVIEW

Features

Classes in English, field trips, Italian language laboratories, assistance by a Students Tutor.

Admission Requirements

High School Diploma (12 years of schooling required), good knowledge of English (minimum B2), strong motivation.

Educational Trips

During the IPH students will join educational trips to some of the most representative cultural and artistic heritage sites in Italy (Rome, Florence, Turin, etc.).

Italian Language

Students will experience a full immersion into Italian language and culture, which will allow them to attend the second and third year of their degrees in Italian.

Passionate about Humanities!

The Programme consists of expressly dedicated lectures held by highly qualified academics. You will benefit from small group teaching and interdisciplinary study based on a critical approach, which will provide you with knowledge and skills as a solid foundation for future studies.
